Overlaid on the notebook is a comment thread titled "Show 2 resolved threads". The thread contains two comments:

- Frank** 1 min ago: Nice thing you did, [Robert](#).
ⓘ Run app with same parameters
- Peter** 3 mins ago: There are some great insights! Thanks for sharing, [Robert](#).
ⓘ Run app with same parameters

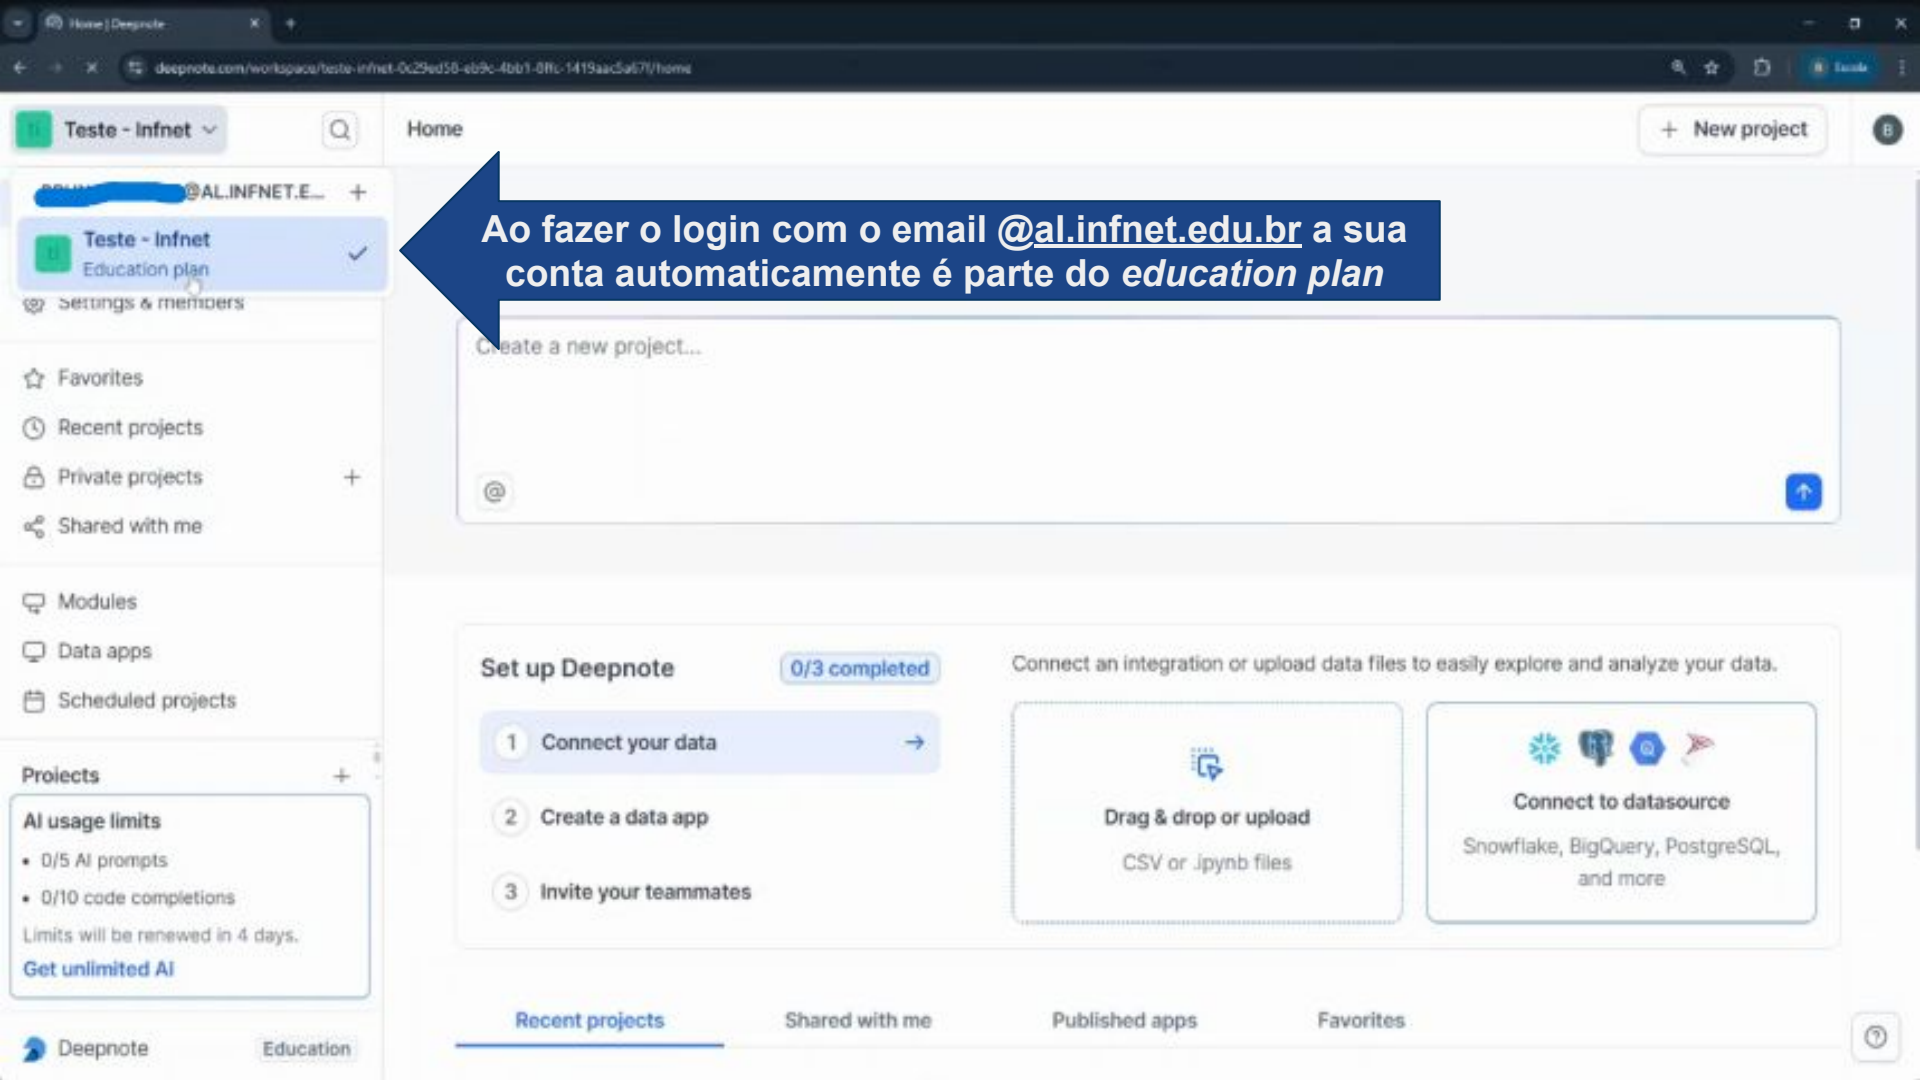

At the bottom of the thread is an "Add comment" input field. A blue callout box labeled "Data Team" points to the comment thread.
